Therefore, introduction of such systems will have to be considered at the time of finalisation of the 8th Five Year Plan in the light of the national priorities and overall availability of resources. It is, therefore, not possible to identify the cities and the time frame for the introduction of such systems at this point of time.

1237. SHRI MUKHTIAR SINGH MALIK : Will the Minister of FOOD AND CIVIL SUPPLIES be pleased to state :

(a) whether rice quota for Fair Price Shops has been reduced in the Capital;

(b) if so, the reasons therefor; and

(c) how it is likely to effect the common man of the Capital?

THE DEPUTY MINISTER IN THE MINISTRY OF FOOD AND CIVIL SUPPLIES (SHRI D. L. BAITHA) : (a) to (c) As a result of a review of allocation of rice & wheat to various States/Union Territories undertaken in the light of availability of foodgrains in the Central Pool, relative needs of the various States, market availability and other related factors, the allocation of rice from the Central pool to most States including Delhi has been reduced uniformly by 20% from *February, 1989. However, sub-allocation* of rice to Fair Price Shops is the concern of States/Union Territories.

The allocations of foodgrains from the Central Pool are supplemental to open market availability. Bulk of the bumper production of rice and other foodgrains in the kharif this year is available in the market and to this extent pressure on Public Distribution System should be less. However, the allocations are made on a month to month basis, keeping the factors mentioned above in mind.
